(1) Subject to the provision of §2, Beneficiary assigns to the *direct* Netware Group the Copyright in computer programs and other copyrightable material world-wide, or in countries where such an assignment is not possible, grants an exclusive licence, including, inter alia:

1. the right to reproduce in original or modified form;
2. the right to redistribute in original or modified form;
3. the right of making available in data networks, in particular via the Internet, as well as by providing downloads, in original or modified form;

The Beneficiary is aware of these provisions, and therefore warrants, represents and guarantees that the Subject Matter is free of any of his or her employer's exclusive exploitation rights.

§2 Subject Matter

The rights and licences granted in §1 apply to both "Software" and "Documentation." For the purpose of this Agreement, "Software" shall mean all computer programs, copyrightable sections of computer programs or modifications of computer programs that have been developed or programmed by Beneficiary and that are specified in this Agreement below or that are listed in Exhibit A attached to this Agreement and dated and signed by the contracting parties.

Likewise, "Documentation" shall refer to all manuals and documentation written by Beneficiary alongside and usually distributed with the "Software" and are similarly specified below or listed in Exhibit A:

Except in countries where such an assignment is not possible,⁵ the rights (and licences) granted under this agreement by Beneficiary shall also include future developments, future corrections of errors or faults and other future modifications and derivative works of the software to which Beneficiary obtains copyright ownership under this agreement. Excluded from this provision are modifications that are not derived from the subject matter and that have to be regarded as independent and original software.

§3 *direct* Netware Group's Rights and Re-Transfer of Non-Exclusive Licence

- (1) The *direct* Netware Group shall exercise the granted rights and licences in its own name. The *direct* Netware Group shall also be authorized to permit third parties to exercise the *direct* Netware Group's rights in and out of court.
- (2) The *direct* Netware Group grants to Beneficiary a non-exclusive, worldwide, perpetual and unrestricted licence in the Software. Furthermore, the *direct* Netware Group grants to Beneficiary additional non-exclusive, transferable license to use, reproduce, redistribute and make available the Software and / or Documentation as needed for releases of the Software and / or Documentation under other licences. This re-transfer shall not limit the scope of the *direct* Netware Group's exclusive licence in the Software and rights pursuant to §1.
